Repairs in the UK

If you wish to make a claim under the terms of your warranty, please contact VAT-registered repairer to agree a suitable time for it to be inspected and repaired.

1. Please take this booklet and the accompanying confirmation letter with you when delivering the vehicle to the repairer. The repairer will confirm whether it is still valid and will check your service record to verify that the vehicle has been properly maintained.
2. You should agree that you will pay for any repairs that are not covered by the warranty.

4. The administrator reserves the right to examine your vehicle and ask an expert to assess the damage before any repairs can begin.

If you need any further assistance relating to a claim, please contact the administrator's Customer Services Department on **0344 573 8021**.
